EXPERIENCE

Unstoppable Asset LLC — Co-founder | *Roth IRA Robo-Advisor* **Jul 2023 – Present**

- Founded a digital investment adviser built to help teenagers open and fund Roth IRAs through Charles Schwab API.
- Registered with the SEC as an investment adviser at 17 under internet adviser exemption (Rule 203A-2(e)); self-drafted Form ADV and cleared all regulator comments.
- Selected as sole high school founder among 137 companies in Georgia Tech CREATE-X; raised a $5,000 SAFE and pitched at Demo Day in Atlanta.
- Spearheaded brand identity, web platform development, and digital marketing assets for product launch.

Patea — Founder | *B2B Dental Airway Screening Platform* **Apr 2025 – Present**

- Engineered full-stack screening platform with MediaPipe FaceMesh (468 landmarks) to replace $1,500 in-office clinical assessments with an 8-step automated workflow.
- Secured and onboarded first pilot clinic (Bonita Dental, Scottsdale, AZ), deploying the platform as an embedded widget to automate patient intake.
- Won 1st place out of 15 teams at Brophy's Bronco Tank pitch competition.
- Produced organic short-form video content driving 5,000+ views to test consumer interest during initial market validation.

Bayless Entrepreneurship Program, AZ YouthForce — Intern **May – Aug 2024**

- Conducted market analysis and customer discovery surveys to define target audience segments and value propositions.
- Constructed financial forecasts, pricing models, and operational budgets for an early-stage business proposal.
- Pitched final business plan to a panel of enterprise executives and investors, winning $300 in funding.

LEADERSHIP & PROJECTS

Brophy Stock Market Club — Team Lead, Presenter **2024 – 2026**

- Built an autonomous n8n research agent that scores equities on technical, fundamental, and news-sentiment signals and executes trades through Alpaca
- Published system to n8n's public library and selected by the n8n team for its front-page template gallery; presented the trading system to 50+ club members.
- Led a 4-person team to 20% portfolio growth in two months managing a $100K paper portfolio in the Wharton Investment Competition.

Brophy Young Entrepreneur Club — Vice President **2023 – 2026**

- Ran biweekly programming for 75+ members on customer discovery, entity selection, fundraising, and go-to-market.
- Spearheaded Bronco Tank, the club's annual pitch competition, after winning it the prior year; coached 12 teams over a semester and recruited senior outside judges, including the former CEO of the Foundation for Blind Children.

Brophy Indian Subcontinental Student Union — Co-President **2023 – 2026**

- Grew union membership by 40 students and produced two cultural events drawing 100 attendees each, owning logistics, budget, and vendor negotiation.

Author/Researcher — Curieux Academic Journal **Sep 2025**

- Authored a year-long study on socioeconomic status and financial literacy in private high schools, designing and fielding an original 142-student survey.
